

'DROP-IN' PROGRAMS

Cambridge Centre for the Arts

Fall 2021

Pre-registration Required for All Drop-Ins

Participants must now register in advance with payment for City of Cambridge drop-in programs every week due to public health guidelines that restrict numbers and required registration information for contact tracing. Please note if you arrive without having pre-registered the program may be full. See registration info below including list of dates and activity codes. All participants must be registered individually. Volunteer drop-in program conveners do not have to register for the programs they are hosting/running.

Registration – 7 Days in Advance

Registration opens only 7 days in advance of each drop-in program date. See page 2-6 for dates.

How To Register

Use the activity code for the date you wish to attend and pre-register on-line at www.cambridge.ca/coral. Registration is available in person as well, at any City of Cambridge facility or City Hall during open hours. Registration is also possible in person upon arrival on the program date and time but please note that it may be full. Arts Centre membership discount does not apply to drop-in programs.

If you do not already have an on-line account with the City of Cambridge you will have to create one if you wish to register on-line. This can be done at the above link.

Access to pre-registration for drop-in programs is also available at www.cambridge.ca/register

Drop-In Passes

Passes for multiple visit discounts are temporarily discontinued. If you wish to hand in a previously purchased pass and receive a credit on your account for any unused portion please email mccanns@cambridge.ca

See pages 2-6 for schedule and registration activity codes

Pottery Studio, Open Art Studio and Piano drop-in programs not offered in the Fall 2021 session

Cambridge Centre for the Arts
