### Membership

Purchase a membership and receive 15% off classes & workshops as well as other great savings. Membership is not required to register.

Learn more at [CambridgeCentreForTheArts.ca/member](https://CambridgeCentreForTheArts.ca/member)

### Contact us

519-623-1340 ext. 4376  
[artcentre@cambridge.ca](mailto:artcentre@cambridge.ca)

### Hours of Operation (Sept – June)

Mon. - Thurs. 8:30 a.m. - 9 p.m.  
Fri. 8:30 a.m. - 4 p.m.  
Sat. 9 a.m. - 3 p.m.

# Preschool

## Visual Arts

### Art Sparks: Preschooler & Adult

Allow your creative sparks to fly in this fun-filled program with artist Joanne Hookumchand. Make a variety of projects in a warm and engaging environment, including colourful paintings and drawings, fanciful masks, musical instruments and lively puppets. Also enjoy storytelling to fire up the imagination! Bring a drink or snack if desired. Only child is registered but must be accompanied by one participating adult. With artist Joanne Hookumchand. 8 weeks.

**Ages 2–5 and Adult**

Member: \$69.12. Non-member: \$81.12  
Fri Sep 29–Nov 17 9:30 AM–11:00 AM 43165

## Performing Arts

### Music Together®

#### Music Together

More than just a music class, Music Together is about connecting – with music, with your child, and with other families in your community. Playful and enriching, it is 45 minutes of fun (for everyone!) with benefits that extend far beyond the program. Fee includes 10 weekly classes, a CD and download code, beautifully illustrated songbook, and access to online activities and other educational materials. 2nd child discounted sibling rate – limited spots. Only child is registered but must be accompanied by one participating adult. Infant siblings 8 months or less at time of registration attend free (no registration required). 10 weeks. No class Oct 7. **Baby to Age 5 and Adult**

1<sup>st</sup> Child: Member: \$183.90. Non-member: \$155.90  
2<sup>nd</sup> Child (sibling): Member: \$119.45. Non-member: \$119.45

Sat	Sep 23–Dec 10	
9:15am	1st Child	43185
	2nd Child	43182
10:15am	1st Child	43186
	2nd Child	43183
11:15am	1st Child	43187
	2nd Child	43184

## Fitness/Wellness

### Toddler and Me Yoga

Introduce your toddler to fun with mind, body and spirit. Experience yoga poses, breathing and mindfulness through play, movements & music. Sleep like bunnies, wag your tails, stretch like cats and roar like lions. And grow strong and stable like the warriors you are! Only child is registered. One adult must accompany each child. Please bring a mat for yourself and a mat for your child. Instructor is a certified teacher from Ageless Arts and Yoga.

**Age 18 months to 3.5 yrs and Adult**

Member: \$61.98. Non-member: \$72.98  
Wed Sep 27–Nov 29 10:45 AM–11:30 AM 43199

# Children

## Visual Arts

### 3D Modeling & Printing: Shapes & Structures

A great combination of hands-on building and computer programming to explore the world of 3D modeling and design. Starting with basic shapes, children progress to creating more complex structures such as homes, vehicles and animals. Includes use of various art materials and the child-friendly computer modeling program TinkerCad. Plus a chance to see a 3D printer in action and receive printed designs. With an instructor from Stemotics. 4 weeks.

**Ages 5–7**

Member: \$43.92. Non-member: \$51.92

Thur Oct 26–Nov 16 5:30 PM–6:30 PM 43178

### 3D Modeling & Printing: TinkerCad

Discover your inner digital artist, designer, sculptor! TinkerCad is a child-friendly program that allows users to create and manipulate 3D shapes to make structures including homes, vehicles, animals and more. Prepare your creations for 3D printing and learn all about the printing process. With an instructor from Stemotics. 4 weeks.

**Ages 7–9**

Member: \$43.92. Non-member: \$51.92

Thur Oct 26–Nov 16 6:45 PM–7:45 PM 43361

### 3D Modeling & Printing: TinkerCad Codeblock

Learn how to create amazing 3D objects with the easy to learn TinkerCad Codeblock program. Manipulate shapes, add texture and colour. Use the Codeblock programming feature to animate your objects – run the code and watch them come to life! See a 3D printer in action and get some of your creations printed! With an instructor from Stemotics. 4 weeks. **Ages 7–9**

Member: \$43.92. Non-member: \$51.92

Thur Nov 23–Dec 14 6:45 PM–7:45 PM 44591

### Creative Kids: Draw, Paint, Build and More!

Imagination and creativity are what this program is all about! Learn how to draw and paint favourite animated characters like Angry Birds and the Minions, make plasticine art, design your own unique superhero mask and shield and create a ship in a bottle. Create amazing art by painting with balloons and string! Make some fantastic 3D pop up cards. These are just some of the many engaging projects instructor Jim Smith of Progressive Music & Arts has planned. 8 weeks. **Ages 6–10**

Member: \$103.10. Non-member: \$121.10

Sat Sep 23–Nov 11 10:15 AM–12:00 PM 43170

# Children

## Creative Kids: 3D Paper Sculpture and Pop Ups

Create an amazing 3D world! Learn how to make super cool 'slice form' paper sculptures in all kinds of shapes – pyramids, spheres, hearts, cubes. Create imaginative cards and mini books with dynamic pop up dinosaurs, super heroes, buildings, birds, butterflies and more. Design and build Pokemon and Minecraft character, terrain and ore paper blocks. Those are just some of the fun projects planned for this engaging 3D adventure! All materials included. Instructor is Jim Smith of Progressive Music and Arts. 8 weeks. **Ages 8–12**

Member: \$103.10. Non-member: \$121.10  
Tues Sep 26–Nov 14 4:00 PM–5:45 PM 43180

## Digital Art: Cartoon, Manga, Superhero & Fantasy

Learn to draw and paint cartoon, manga, superhero and fantasy worlds with Photoshop. Create dynamic comic book characters, video game backgrounds and exciting action scenes. Discover how to use design techniques such as shading, layers, lighting and colour to take your art to the next level. Bring a USB stick so you can take your digital creations home! Instructor is Jim Smith of Progressive Music and Arts. 8 weeks. **Ages 8–12**

Member: \$103.10. Non-member: \$121.10  
Thur Sep 28–Nov 16 4:00 PM–5:45 PM 43171

## Laser Engraving & Blade Cutting

Create images and have them cut into wood, acrylic and paper by the xTool Laser Engraver, Laser Cutter and Blade Cutter. Learn mBlock computer programming and discover how the technology works. Practice designing and programming the machine to cut simple letters, animals, shapes and flowers. An engaging combination of design, art and technology! With an instructor from Stemotics. 4 weeks. **Ages 8–12**

Member: \$43.92. Non-member: \$51.92  
**Laser Engraver**  
Mon Sep 25–Oct 23 6:45 PM–7:45 PM 43164

**Laser Cutter**  
Mon Oct 30–Nov 20 6:45 PM–7:45 PM 43359

**Blade Cutter**  
Mon Nov 27–Dec 18 6:45 PM–7:45 PM 44599

## Drawing: Superhero, Cartoon and Anime Characters

Learn how to draw faces, heads, hands and bodies in these three popular styles. Explore basic anatomy and pose your favourite character to create dynamic motion and action like the comic book professionals. Draw faces from all angles and discover techniques that convey expressions and emotion. Your characters will come to life! With Jim Smith of Progressive Music & Arts. 8 weeks. **Age 8–12**

Member: \$103.10. Non-member: \$121.10  
Sat Sep 23–Nov 11 12:30 PM–2:15 PM 43173

## ANNUAL ART STUDIO TOUR & SALE 2023

Saturday, September 23, 10 a.m.–5 p.m.  
Sunday, September 24, 12 p.m.–5 p.m.

[CambridgeCentreForTheArts.ca](http://CambridgeCentreForTheArts.ca)

## How To Draw Animals: Cartoon to Realistic

Want to learn how to draw all kinds of animals? A cat stretching, wolves howling, horses jumping, fish swimming, a lion roaring or an elephant reaching for food with its trunk! Draw these animals and more with graphite, coloured pencils and a variety of markers. Learn skills and techniques to create fun cartoon style drawings and then progress to drawing realistic looking animals with details and shading. All materials included. Instructor is Jim Smith of Progressive Music and Arts. 8 weeks. No program Oct 9. **Ages 8–12**

Member: \$103.10. Non-member: \$121.10

Mon Sep 25–Nov 20 4:00 PM–5:45 PM 43174

---

## How To Draw Manga: Characters, Robots, Vehicles and More!

Unleash your imagination and create your own amazing Manga style characters, mechs, machinery, vehicles and robots using pencils, brush pens and traditional pen and inks. Give your creations energetic form and shape by drawing in 3D with shading, texture, rotation and perspective techniques. Learn how to draw dynamic backgrounds and scenes. All materials included. Instructor is Jim Smith of Progressive Music and Arts. 8 weeks. **Ages 8–12**

**Ages 8–12**

Member: \$103.10. Non-member: \$121.10

Wed Sep 27–Nov 15 4:00 PM–5:45 PM 43175

---

## 3D, Lights and Robot Art

Have a blast making cool, dynamic art with technology! Learn how to use the 3D Doodler pen to draw amazing 3D creations on surfaces and even in mid-air to form structures and sculptures. Bring art to life with colourful LED lights that you build electronic circuits to power. Use a child-friendly computer coding program to make iRobot draw designs and images. With an instructor from Stemetics. 4 weeks. No program Oct 9. **Ages 5–7**

Member: \$43.92. Non-member: \$51.92

Mon Sep 25–Oct 23 5:30 PM–6:30 PM 43197

---

## Lego Robotics

Build Lego Robotic characters and learn how to make them move and make sounds with the kid-friendly Lego WeDo 2.0 computer coding program. Bring T-Rex, Triceratops, Stegasaurus and other prehistoric animals to life with the Dino Park experience! In Space Journey create space-ships, explorers, machines and tools as you build a base on a mysterious far-off planet. Collaborate together to solve challenges, be creative and have lots of fun! With an instructor from Stemetics. 4 weeks. **Ages 5–7**

Member: \$43.92. Non-member: \$51.92

### Space Journey

Mon Oct 30–Nov 20 5:30 PM–6:30 PM 43358

### Dino Park

Mon Nov 27–Dec 18 5:30 PM–6:30 PM 44598

---

## Lego Studio Designer: Design & Build

Did you know you can make computer designed Lego creations? Lego Studio Designer software lets you do that! Have fun choosing from a vast library of digital Lego bricks, plates, mini-figures and special pieces. Learn how to build, rotate and examine your models from different angles, change colours and textures, and rearrange your structures. You will be inspired to create your fantastic designs using real Lego! An engaging opportunity to discover computer design. With an instructor from Stemetics. 4 weeks. **Ages 5–7**

Member: \$43.92. Non-member: \$51.92

Thur Nov 23–Dec 14 5:30 PM–6:30 PM 44584

---

# Children

## Minecraft: Hour of Code

A wonderful introduction to computer programming and making digital worlds! Through hands-on, user friendly coding challenges children learn how to create their own unique Minecraft experiences. Develops problem solving skills, encourages creativity and builds confidence. With an instructor from Stemotics. 4 weeks. **Ages 5–7**

Member: \$43.92. Non-member: \$51.92  
Thur Sep 28–Oct 19 5:30 PM–6:30 PM 43177

## Minecraft: Programming with Code Builder

Code Builder allows children to create and customize their own Minecraft worlds. Design structures, make interactive games and program unique and interactive Minecraft mods. A great chance to develop coding skills, be creative and have a great time! With an instructor from Stemotics. 4 weeks.

**Ages 7–9**

Member: \$43.92. Non-member: \$51.92  
Thur Sep 28–Oct 19 6:45 PM–7:45 PM 43360

## Pottery

A wonderful opportunity to get creative with clay. Learn different pinch, coil and slab techniques to make tiles, platters, bowls, monster mugs, bird houses, ornaments and more. See a demo of the pottery wheel and take a try on it yourself! Finish off your pottery items with beautiful, colourful glazes. Children will be guided by enthusiastic and experienced pottery instructors – Danish Yazdani (Sat and Tues afterschool) and Ezri Evans (Mon afterschool). Includes all clay, glazes and firings. 8 weeks (Tues 9 weeks but shorter time each week) No class Oct 9 or 14.

Member: \$105.48. Non-member: \$124.48

**Ages 6–9**

Sat Sep 23–Nov 18 9:30 AM–11:30 AM 43193

**Ages 8–12**

Sat Sep 23–Nov 18 12:30 PM–2:30PM 43195

**Ages 6–9**

Mon Sep 25–Nov 20 4:00 PM–6:00 PM 43194

**Ages 8–12**

Tues Sept 26–Nov 21 4:00 PM–5:45 PM 44542

## Rudolph the Red Nosed Reindeer Cake

Create a fantastic Rudolph The Red Nosed Reindeer cake that will be the highlight of your holiday party! You will assemble the cake, ice it and add colourful features using royal icing and fondant – including that all important red nose! Cake, box and all other materials provided. Program led by cake designer Angela Henriquez. Please note: materials may contain or have come into contact with nut products. **Ages 10–13**

Member: \$27.44. Non-member: \$32.44

Sat Dec 16 10:00 AM–11:30 AM 43168

# Children

## Video Game Programming & Design

Learn how to design and program your very own video games. Use professional quality graphics and digital art to create unique worlds and characters, then bring them to life by programming dynamic movement and actions. Arcade and Platform in the style of Super Mario and Pacman; RPG in the style of Zelda. Have fun while developing artistic, math and communications skills. Bring a USB stick so you can keep playing your games at home! Instructor is Jim Smith of Progressive Music and Arts. 8 weeks. **Ages 8–12**

Member: \$105.48. Non-member: \$124.48

### Arcade and Platform Games

Tues Sep 26–Nov 14 6:00 PM–8:00 PM 43200

### RPG Games

Thur Sep 28–Nov 16 6:00 PM–8:00 PM 43201

## Watercolour, Acrylic & Oil Pastel Creations

Have a great time painting and drawing animals, landscapes, fantasy scenes, characters, manga, superheroes and more in all kinds of styles and techniques. Learn how to blend colours, use silhouettes and stencils, and make use of items like string to create some unique special effects that will make your art amazing! All materials included. Instructor is Jim Smith of Progressive Music and Arts. 8 weeks. No program Oct 9. **Ages 8–12**

Member: \$105.48. Non-member: \$124.48

Mon Sep 25–Nov 20 6:00 PM–8:00 PM 43203

## Young Artists: Multimedia Adventure

Join multimedia artist Joanne Hookumchand on an artistic journey! Learn acrylic and watercolour painting techniques, create eco art, explore cardmaking, use special inks, make art journals, develop your writing to incorporate into your projects and much more. Allow your inner artist to shine through your creativity! 8 weeks. **Ages 8–12**

Member: \$105.48. Non-member: \$124.48

Thurs Sep 28–Nov 16 6:15 PM–8:15 PM 43210

# CALL FOR ENTRY 20TH ANNUAL JURIED ART EXHIBITION

**Cambridge artists are invited to  
enter up to 2 pieces to be juried.**

Exhibition is Oct 14–Nov 11. Awards ceremony Sat, Oct 14.

# Adults

## Performing Arts

### Fairytales Unleashed

Unleash your child's imagination and unlock their expressive potential! Children create their own fantastic fairytales each week and have fun building characters, piecing together storylines and using their imaginations to bring stories to life. A wonderful opportunity to learn improv skills, develop self-confidence and collaborate in an engaging and supportive environment. Final performance for family and friends with props and costumes. An extra special experience with 2 instructors – Suzanne has over 20+ years as an improv performer and teacher; Mya studied acting and improv and has performed in multiple stage shows. 8 weeks. **Ages 6–9**

Member: \$118.48. Non-member: \$138.48  
Sat Sep 23–Nov 11 9:30 AM–10:30 AM 43198

### Ballet at the Arts Centre: Nutcracker

A great opportunity for your child to experience the joy of dance in this engaging and supportive program! Includes dance technique, learning choreography and developing performance skills. This fall the music and dances will be from the Nutcracker! Start time may be adjusted on final day for performance. Please see receipt for important information including required footwear and clothing. Instructor is dancer, teacher and choreographer Leilani Bowry. 10 weeks. **Ages 5–7**

Member: \$78.00. Non-member: \$92.00  
Sat Sep 30–Dec 2 9:30 AM–10:30 AM 44547

### Improv Theatrics Unlimited

Improv games mean children have to think on their feet! Come up with a character; respond to a scenario; react to the other players; tap into their own imagination. It's thrilling and unpredictable! Improv keeps children engaged and entertained while building creativity, communication, collaboration and problem-solving skills. This is a supportive and non-judgmental place to be spontaneous and expressive. Includes performance for family and friends on the final day with props and costumes. Extra special experience with 2 instructors – Suzanne Paquin has over 20 years experience as an improv performer and teacher; Mya Leworthy studied acting, improv and has performed in many productions. 8 weeks. **Ages 10–12**

Member: \$143.10. Non-member: \$168.10  
Sat Sep 23–Nov 11 10:45 AM–12:00 PM 43188

## General Interest

### Chess Club

Chess club members will be matched against each other and play for stars and ribbons including the chance to challenge Mrs. Edwards for the coveted black ribbon and trophy. A short lesson starts each program, weekly prizes, tournament finale. Children should know the basic rules of chess. Instructor Su Edwards has been teaching chess for over 20 years and playing for much longer! 8 weeks. **Ages 6–12**

Member: \$96.60. Non-member: \$113.60  
Sat Sep 23–Nov 11 10:00 AM–12:00 PM 44250
